## **What is your experience getting your private health insurance plan to pay for your arthritis treatment and care?**

Help us identify how effective private health insurance plans are in supporting your arthritis-related needs by sharing your experience in a quick 20-minute survey by Arthritis Consumer Experts. This survey is for YOU, a Canadian living with arthritis who has a private health insurance plan. **Your voice matters!**

### **Why Participate?**

- **Influence Change:** Your feedback will directly inform ACE's advocacy efforts to address gaps in private health insurance plans and support the health and well-being of people with arthritis in Canada.
- **Raise Awareness:** The findings from this survey will be shared with key stakeholders— patients, researchers, clinicians, employers, health insurance policymakers, and the media—to advance a deeper understanding of your day-to-day challenges.

### **Details:**

- **Eligibility:** Open to all residents of Canada who are living with arthritis and are covered by a private health insurance plan.
- **Deadline:** We have extended the Survey deadline to June 30, 2024.
