Arthritis Consumer Experts (ACE), in partnership with Lupus Canada, has launched the **National Lupus Survey** to learn directly from people living with lupus about their care experiences, challenges, and unmet needs.

Your voice matters. By sharing your lived experience, you will help shape education resources, programs, and advocacy efforts that reflect the real-world needs of people living with lupus. If you or someone you know lives with lupus, please share this survey link. The more voices we hear, the stronger our impact will be.

It will take about **15 minutes** to complete. The survey will remain open until **October 31, 2025**.
